

2019 Season Newsletter

Cut-Your-Own & Pre-Cut Christmas Trees

Live Balled Trees

November is upon us, so preparations are well underway at the farm! Those who have been here before know that a visit to Sugar Pines is not just about the trees, but it's all about the experience... so we invite you to join us this season for your own memory-making... we'll be ready for you starting the day after Thanksgiving!

Highlights of the Upcoming Tree Season

We've had yet another great growing year at the farm... and we're really excited to share it with you! Our cut-your-own fields are filled with lush, fragrant fir and spruce trees, and we have everything you need to head out for that perfect tree – saws, sleds, wagons, twine – and a friendly crew to make sure it's baled and ready to take home (delivery available too – just inquire!). Please check the expanded Q&A section of our website for planning your visit to the farm.

Our elves are hard at work creating an amazing selection of wreaths, swags, roping and other greenery items. And, the shelves will be stocked with 2019 Sugar Pines ornaments, maple syrup and our all new "Christmas morning" gift baskets!

Rumor has it Santa will be making his way to the farm again this year (check the website for his schedule), Buckeye Concessions will once again be serving up the goodies, the hay wagon will be rolling and the campfire will be roaring... so plan to stay for all the fun!

Cut-Your-Own Trees

We invite you to explore our scenic fields, take in the refreshing aromas, and find the perfect tree to cut down for yourself! A spectacular selection of close to 3,000 cut-your-own trees awaits, including Canaan fir, Fraser fir, blue spruce, and Norway spruce (*note: Norway field opens after 12/8*). Trees range in size from about 5 to 12 feet tall. Remember that tree inventory/availability can change from day to day during the season, so be sure to check our website or voicemail for daily updates. *We kindly request you leave all power saws at home. Thank you for your cooperation!*

Fresh, Pre-Cut Trees

Don't really want to cut your own tree or can't find exactly what you want in our fields? No problem! Check out the tree barn where we'll have an extensive selection of fresh-cut trees including Fraser fir, Douglas fir, Concolor fir, blue spruce, Scotch pine, and white pine ranging from 4 to 14 feet tall (depending on the variety). Availability of trees over 12 feet tall is very limited, so inquiring early to reserve these trees ahead of time is recommended. As always, we work closely with other family-owned tree farms who supply these trees to ensure they are cut very close to the time they are shipped to us. We know a fresh tree is a priority for you, and it is for us too!

Seasonal Schedule

Open Daily starting the day after Thanksgiving
9:00 am - 5:30 pm on weekends
(and the day after Thanksgiving)
12:00 pm - 5:30 pm weekdays

Turn over for more! ↻

Live Balled Trees

Ever thought about a live Christmas tree that can be planted in the spring? Maybe this is the year! We will have a great selection of live ball & burlap (b&b) trees, including firs, spruces and pines, mostly in the 4-6' range. While there are some limitations, and they do require some special care, b&b trees can be enjoyed for many years to come! If you're thinking about going this route we encourage you to check out the page of our website that covers how to care for them so you can decide ahead of time if this would be right for you.

Family Fun & Food on the Farm

We're all about the FUN (and the food!) at Sugar Pines! Plan to stay for a tractor-drawn hay wagon ride, s'mores by our bonfire pit, a picture with Santa, and a visit to the Buckeye Concessions tent for freshly made kettle corn, hot chocolate, funnel cakes and other goodies (weekends only). Of course, a visit to a tree farm is a great opportunity to just enjoy some time outside together, take a stroll, breathe in the fresh air, and enjoy the beautiful surroundings. We invite you to take it all in! *Sorry, we kindly request that you leave pets at home for the safety and comfort of all of our visitors.*

Support Operation Evergreen

Join us in supporting our troops who will be away from their families this Christmas season by "purchasing" one of our little Operation Evergreen trees (\$20 donation requested). These trees are perfect for a child's room, a porch or another small space. 100% of the funds donated will go towards the cost of shipping trees overseas (donated by Sugar Pines and other farms across Ohio) as part of the Ohio Christmas Tree Association's annual Operation Evergreen initiative.

For More Information

For more information please visit our website at www.sugarpinesfarm.com, "Like" us on Facebook and follow us on Instagram @sugarpinesfarm. We look forward to seeing you soon and wish you and your family a very Merry Christmas!
