

2021 Season Newsletter

Cut-Your-Own & Pre-Cut Christmas Trees

Live Balled Trees

The 2021 Christmas season is right around the corner, and our family is excited to welcome you back to Sugar Pines Farm! Whether continuing longtime traditions or starting new ones... a Christmas tree farm is the perfect place to make holiday memories! We strongly encourage you to check the expanded Q&A section of our website for planning your visit to the farm – we'll be ready for you starting the day after Thanksgiving!

Cut-Your-Own Trees

We invite you to explore our scenic fields and find the perfect tree to cut down for yourself! A beautiful selection of over 2,500 cut-your-own trees awaits, including Canaan Fir, Fraser Fir, Blue Spruce, and Norway Spruce (*note: Norway field opens after 12/5*). Trees range in size from 6 to 12+ feet tall. Remember that tree inventory/availability changes from day to day during the season, so be sure to check our website or voicemail for daily updates. We provide everything you need – saws, sleds, wagons, twine – and a friendly crew to bale your tree to get it all ready to take home. We kindly request you leave all power saws at home.

Fresh, Pre-Cut Trees

Not interested in cutting your own tree, or just can't find the one you want in our fields? No problem! Check out the tree barn where you'll find an extensive selection of fresh-cut trees including Fraser Fir, Douglas Fir, Korean Fir (new this year!), Blue Spruce, Scotch Pine, and White Pine ranging from 4 to 12 feet tall (depending on the variety). Availability of trees over 10 feet tall is limited, so inquiring early to reserve these trees ahead of time is recommended. As always, we work closely with other family-owned tree farms who supply our pre-cut trees to ensure they are cut very close to the time they are shipped to us, and as fresh as possible!

Live Balled Trees

Maybe this is the year to start a new tradition...a live ball & burlap (b&b) Christmas tree, which can be planted and enjoyed for years to come after the season is over! We'll have a nice selection of freshly dug firs, spruces and pines, mostly in the 4-6' range. We strongly encourage you to read the b&b page of our website ahead of time to ensure the care and planting requirements for this type of tree are appropriate for your situation.

Seasonal Schedule

Open daily starting the day after Thanksgiving
9:00 am - 5:30 pm on weekends
(and the day after Thanksgiving)
12:00 pm - 5:30 pm weekdays, closed Mondays

Turn over for more! ↻

Family Fun & Food on the Farm

With COVID still in mind, things will continue to look a little different again this year, but no worries... still plenty of food & fun to be had during a visit to Sugar Pines! Take a tractor-drawn hay wagon ride around the farm, warm up by our bonfire pit (sorry, no s'mores again this year ☹️), visit with Santa, and of course stop by the Buckeye Concessions tent for freshly made kettle corn, hot chocolate, funnel cakes and other goodies (weekends & Fridays only). Of course, a visit to a tree farm is also just a great opportunity to enjoy some time outside together, breathe in the fresh air, take some pictures and make some memories! Sorry, we kindly request that you leave pets at home for the safety and comfort of all of our visitors.

Tree Care Products, Greenery, Maple & More!

When it comes to fresh greenery we've got way more than just the trees...you'll find beautiful handmade wreaths, swags, pine roping, cedar garland, and more! Of course, you'll also find everything you need to care for your tree too...tree stands, floor mats, preservative, disposal bags and watering funnels. And, be sure to check out our signature 2021 Sugar Pines ornaments, mugs, shirts, candles, maple syrup and more!

Support Operation Evergreen

As always, we will continue to collect funds through Operation Evergreen to support our troops who will be away from their families this Christmas season. Take home one of our little Operation Evergreen trees (\$20 donation requested) for a child's room, a porch or other small space. 100% of the funds donated will go towards the cost of shipping donated trees (from Sugar Pines and other farms across Ohio).

A Word about COVID-19

We continue to take our responsibility seriously to help prevent the spread of COVID-19, and keep our customers, employees, and our own family safe. We respectfully ask that you do the same when visiting us. Please do not come to the farm if you are having COVID-related symptoms, or have been in close contact with someone who has; practice social distancing where possible; if unvaccinated, plan to wear a face covering inside our buildings; hand sanitize frequently (we'll have plenty available!); and if possible, consider visiting during the week when the crowds are much smaller. Online pre-ordering and delivery options are available.

For More Information

For more information please visit our website at www.sugarpinesfarm.com, "like" us on Facebook and follow us on Instagram @sugarpinesfarm. We look forward to seeing you soon and wish you and your family a happy, healthy and peaceful Christmas season!
