Cut-Your-Own & Pre-Cut Christmas Trees

Live Balled Trees

Welcome to the 2022 Christmas tree season at Sugar Pines Farm! This is our family's eleventh year owning the farm, and we're looking forward to another exciting season! Whether continuing longtime traditions or starting new ones... a Christmas tree farm is the perfect place to make holiday memories. We look forward to welcoming you back to the farm starting the day after Thanksgiving!

Cut-Your-Own Trees

Explore our scenic fields and find the perfect tree to cut down for yourself! You'll have a tough time choosing from over 2,500 beautiful cut-your-own trees, including Canaan Fir, Fraser Fir, Blue Spruce, and Norway Spruce (note: *Norway field opens after 12/5*). Trees range in size from 5 to 10+ feet tall. Remember that tree inventory/availability changes from day to day during the season, so be sure to check our website or voicemail for daily updates. We provide everything you need – saws, sleds, wagons, twine – and a friendly crew to bale your tree to get it all ready to take home. *We kindly request you leave all power saws at home.*

Fresh, Pre-Cut Trees

We know cutting your own tree isn't for everyone, so we've got you covered! Our tree barn will be filled with an extensive selection of fresh-cut trees including Fraser Fir, Douglas Fir, Noble Fir (new this year), Nordmann Fir (also new), Scotch Pine, and White Pine ranging from 4 to 12 feet tall (depending on the variety). Availability of trees over 10' is limited, so inquiring early to reserve these trees ahead of time is recommended. As always, we work closely with other family-owned tree farms that supply our pre-cut trees to ensure they are high quality, and cut very close to the time they are shipped to us, so as fresh as possible!

Live Balled Trees

Growing in popularity, live ball & burlap (b&b) trees are an entirely different type of Christmas tree experience. These trees can be enjoyed for a limited time inside for Christmas, then planted on your property to enjoy for years to come! We'll have a nice selection of freshly dug spruce and firs, mostly in the 4-6' range. We strongly encourage reading the b&b page of our website ahead of time to ensure the care and planting requirements for this type of tree make sense for your situation.

Family Fun & Food on the Farm

A trip to a tree farm is much more than just finding the perfect tree! While here, plan to take a tractor-drawn hay wagon ride around the farm, warm up by our bonfire pit, visit with Santa (check schedule on website), and of course stop by the Buckeye Concessions tent for freshly made kettle corn, hot chocolate, funnel cakes and other goodies (weekends & Fridays only). Of course, a visit to a tree farm is also just a great opportunity to enjoy some time outside together, breathe in the fresh air, take some pictures and make some memories! *Sorry, we kindly request pets be left at home for the safety and comfort of all of our visitors.*

Tree Care Products, Greenery, Maple & More!

When it comes to fresh greenery we've got much more than just the trees...you'll find beautiful handmade wreaths, swags, pine roping, cedar garland, and more! Of course, we've got everything you need to care for your tree too...tree stands, floor mats, preservative, disposal bags and watering funnels. And, be sure to get one of our signature 2022 Sugar Pines ornaments, as well as great gift items like logo mugs, shirts, picture frames, maple syrup and more!

Support Operation Evergreen

We will once again be collecting funds for Operation Evergreen to support our troops who will be away from their families this Christmas season. Take home one of our little Operation Evergreen trees (\$20 donation requested) for a child's room, a porch or other small space. 100% of the funds donated go towards the cost of shipping donated trees (from Sugar Pines and other farms across Ohio).
