Cut-Your-Own & Pre-Cut Christmas Trees

Live Balled Trees

Christmas tree season is nearly upon us, and we're getting ready to welcome you back to the farm! With a beautiful selection of cut-your-own, fresh pre-cut, and live balled trees, we have something for everyone. Of course, you can get a real Christmas tree from many places, but a visit to a Christmas tree farm is a memorable, unique experience not to be missed. So gather your family and friends, and come on out to see us this year for the perfect tree – as well as the fun, the food, the photos and the joy of visiting a Christmas tree farm! Read on for all the details...

Cut-Your-Own Trees

Explore our scenic fields and find the perfect tree to cut down for yourself! Choose from close to 2,000 beautiful cut-your-own trees, including Canaan fir, blue spruce, and Norway spruce (*note: Norway fields open after 12/5*), ranging from 5' to just under 9' tall (if looking for a taller tree please read the pre-cut section below). Remember that tree inventory changes daily during the season, so be sure to check our website or voicemail for daily updates to avoid disappointment. We provide everything you need – saws, sleds, wagons, twine – and a friendly crew to bale your tree to get it all ready to take home. *We kindly request you leave all power saws at home.*

Live Balled Trees

Live ball & burlap (b&b) trees are an entirely different type of Christmas tree experience and growing in popularity. These trees can be displayed for a limited time inside your home for Christmas, then planted outside to enjoy for years to come! Choose from over 100 spruce and fir trees dug fresh from our farm, mostly in the 4-6' range. New this year, we will also have some nice potted Christmas trees ready to take home (or give as a gift)! We strongly encourage reading the b&b page of our website ahead of time to ensure the care and planting requirements for this type of tree make sense for your situation.

Fresh, Pre-Cut Trees

If getting out there and cutting your own tree isn't your thing, no worries, we've got you covered! Our tree barn will be filled with an extensive selection of fresh-cut trees including Fraser Fir, Douglas Fir, Noble Fir, Scotch Pine, and White Pine ranging from 4 to 12+ feet tall (depending on the variety). Availability of trees over 10' is limited, so inquiring early to reserve these trees ahead of time is recommended. As always, we work closely with other family-owned tree farms that supply our pre-cut trees to ensure they are premium trees, cut very close to the time they are shipped to us, so as fresh as possible!

The Tree Farm Experience

A visit to a tree farm is so much more than just finding the perfect tree. While here, plan to take a tractor-drawn hay wagon ride around the farm, warm up and enjoy a free s'more by our campfire pit, visit with Santa (check schedule on website), and of course stop by the Buckeye Concessions tent for freshly made kettle corn, hot chocolate, funnel cakes and other goodies (weekends & Fridays only). A visit to a tree farm also offers a special opportunity to enjoy some time outside together, breathe in the fresh air, take some pictures and make some memories! *Sorry, we kindly request pets be left at home for the safety and comfort of all of our visitors.*

Tree Care Products, Greenery, Maple & More!

When it comes to fresh greenery we've got much more than just the trees... you'll find beautiful handmade wreaths, swags, pine roping, cedar garland, and more! Of course, we've got everything you need to care for your tree too... tree stands, floor mats, preservative, disposal bags and watering funnels. And, be sure to get one of our signature 2023 Sugar Pines ornaments, as well as great gift items like logo mugs, shirts, hats, teddy bears (new this year!), picture frames, maple syrup and more!

Support Operation Evergreen

As is our tradition, we will once again be collecting funds for Operation Evergreen to support our troops who will be away from their families this Christmas season. Take home one of our little Operation Evergreen trees (\$20 donation requested) for a child's room, a porch or other small space. 100% of the funds donated go towards the cost of shipping trees overseas (see our website for more information).
