2026 Season Newsletter
Cut-Your-Own & Pre-Cut Christmas Trees
Live Balled Trees

We are excited to celebrate our 15th year as the owners of Sugar Pines Farm, and warmly invite you to join us this season! While there are many places to shop for a real Christmas tree, we truly believe nothing compares to the experience of visiting a tree farm. Strolling through the gorgeous trees, sipping on hot cocoa, visiting with Santa, taking all those pictures, making memories with the ones you love…so many more reasons to visit us than just the perfect Christmas tree!

Cut-Your-Own Trees

As always, our picturesque fields are ready for the big tree hunt! With over 2,000 cut-your-own options, including Canaan fir, blue spruce, and Norway spruce, you'll find trees from 5 to 9+ feet tall. *(Note: Norway spruce field does not open until 12/5.)* For taller trees, plan to visit our tree barn for plenty of great choices. We provide saws, sleds, wagons, twine, and our helpful crew to bale your tree (please remember, power saws are not permitted). Tree inventory changes daily, so we recommend checking our website or voicemail for the latest updates before heading out to see us.

Live Balled Trees

For something a little different, consider a live ball & burlap (B&B) tree! These trees are dug fresh on our farm, and can be enjoyed indoors during the holidays, then planted outside in the spring. Choose from over 100 spruce and fir trees, mostly 4–6 feet tall, along with smaller potted varieties. We recommend visiting our website in advance for care and planting tips to see if a live tree is right for you.

Fresh, Pre-Cut Trees

For those who don't want to cut their own tree, our tree barn offers a wide selection of fresh pre-cut trees, including Fraser fir, Douglas fir, noble fir, Scotch pine, and white pine, ranging from 3 to over 10 feet tall. We work closely with other family-run farms to ensure every tree is freshly cut and carefully selected. Our crew will put a fresh cut on every tree, and can drill if necessary – just ask. While at the tree barn be sure to check out the area's only tree monorail!
